**Nature Of Opinion**

Docket Number: T-01051B-15-0382

Docket Position: Against

As a CenturyLink customer I don't want to pay more for their bogus "facilities relocation fee." CenturyLink has lied to you regarding the price of copper because the price of copper has declined from \$4.50 per pound five years ago to \$2.23 as of April 27th – a 50% decrease! The high prices have come way down so CenturyLink's request to raise fees should be denied. You're supposed to protect consumers, not protect utilities' bottom lines!
